1 What is a cookie?

Cookies are small text files that a website stores on your computer or mobile device when you visit the site. They enable the website to remember your actions and preferences (such as login, language, font size and other display preferences) for a certain period of time, so you don’t have to re-enter them each time you visit the site or browse its pages. Cookies collect information and (when read by a server through an internet browser) can provide information about the use of the website.

2 Data Controllers

If the data processed through the use of cookies include data of a personal nature, the Data Controllers for such personal data when you browse the EnergyGuard Platform are those referred in Privacy Policy as such to the extent applicable.

The **Erevnitiko Panepistimiako Institouto Systimaton Epikoinonion kai Ypologiston (ICCS)** serves as the Coordinator of the Consortium and the Project, as well as the Administrator of the Platform. Accordingly, ICCS acts as the primary point of contact for any matters relating to the processing of personal data in connection with the EnergyGuard Platform.

For more information, please contact us at privacy@energy-guard.eu. You can also read the Data Protection Notice/Privacy Policy of the Platform https://dashboard.energy-guard.eu/static/assets/docs/PRIVACY_POLICY_10_2026

3 What type of cookies do we use?

Our Platform uses persistent and session cookies.

- *Session cookies:* are erased after the end of your browsing on our Platform or/ and after the closing of your web browser.
- *Persistent cookies:* remain in your computer or in your device, either till the time you decide to erase them or for a preset time.

3.1 Categories and purpose of Cookies used in our Platform

3.1.1 Strictly Necessary Cookies

These cookies are necessary for the Platform to function and cannot be switched off. These cookies help make our Platform usable and secure by enabling basic functions like page navigation and access to secure areas of the Platform. Your consent is not required for the use of these cookies.

These cookies do not store, as a rule, any personally identifiable information about you. However, due to the technical nature of cookies, the possibility for a cookie to process your IP address, for it to function properly, cannot be excluded.

You may find a list of the necessary cookies, that our Platform uses, below:

Cookie Name	Purpose	Retention period	Provider (first party/third party)
csrftoken	Protects the platform and the user against Cross-Site Request Forgery (CSRF) attacks. It ensures that forms and requests are intentionally submitted by the actual user and not a malicious third-party script.	1 year	First party
sessionid	Maintains the user's active session state. This is required to identify the user's specific session on the server, allowing them to log in and stay authenticated as they navigate between different pages of the platform.	End of session	First party

3.1.2 Third Party Platform Cookies

When using our Platform, you may be directed to other websites for such activities as viewing content hosted on those sites. These websites may use their own cookies. We do not have control over the placement of cookies by other websites you visit, even if you are directed to them from our Platform.

4 How to control and delete cookies

4.1 Cookie Tool/Banner

Our Platform's Cookie Tool/Banner can be utilized to customize your cookie preferences. During your first visit to our Platform, the tool will record if you have consented to the use of specific cookie categories and will ask for consent again, in preset time periods, to ensure users stay up to date with changes to our cookie and privacy policies (if applicable). If applicable, you may choose to provide your consent to the use of Statistical/Analytics, Advertising/Marketing, and Preferences Cookies through the Cookie Tool (currently not applicable since this type of cookies are not used). Strictly necessary cookies cannot be disabled and do not require your consent to be used.

4.2 Using your Browser

Many of the cookies can also be disabled by disabling the cookies through your browser. To disable cookies through your browser, follow the instructions usually located within the "Help," "Tools" or "Edit" menus in your browser. Please note that disabling a cookie or category of cookies does not delete the cookie from your browser unless manually completed through your browser function.

Also, all web browsers allow you to manage cookies in order to either delete them once you finish visiting the website or set your preferences regarding cookie usage before you start browsing the website. Please note that deleting or rejecting cookies may negatively affect your browsing experience (e.g., some features may not be fully available). More information about deleting cookies from the computer or other device you are using, at any time, can be found by following the links below.

- Google Chrome
- Microsoft Edge
- Microsoft Internet Explorer
- Mozilla Firefox
- Apple Safari (Mac OS)
- Apple Safari (iPhone, iPad)
- Opera

4.3 Cookies set in the past

Collection of your data from our statistics and/or preferences cookies can be disabled (if applicable). If cookies are disabled, the information collected prior to the preference change may still be used. However, we will stop using the disabled cookie to collect any further information from your user experience.

5 Where can you find additional information regarding the Data Protection that cookies collect?

You may find additional information about Personal Data Protection, as well as on how to exercise your rights, in our https://dashboard.energy-guard.eu/static/assets/docs/PRIVACY_POLICY_10_2026

6 Is this policy likely to change?

This policy may be modified at any time and the current one is always the most recent version. We suggest you regularly refer to this page, to ensure that you always have access to the most relevant information.

This version of the policy is effective since 7-10-2026
